January 23, 2001

To Whom it May Concern,

Please prohibit the killing of downed animals because maybe a downed animal might have a disease. The docket number is 98P-0151/cpi. Downed animals shoudnt be treated like this. Also it is not healthy to eat a sick downed animal because you might get the same disease the downed animal has. Animals and downed animals have feelings too.

Sincerely Yours,
Jennifer Avila.
